

Delaware Community School Corporation

September 11, 2020

DelCom Families,

Good evening! Last night, our school board approved a new school calendar and a change to our regular school schedule. Our new schedule goes into effect on Monday, September 21. All of these changes are being made to protect and promote as much in-person instruction as possible over the course of this school year. As always, thank you for your support during these challenging times.
